It's no secret that employees who feel they are valued and recognized for the work they do are more motivated, responsible, and productive. This course will help supervisors and managers create a more dynamic, loyal, and energized workplace. It is designed specifically to help busy managers and supervisors understand what employees want, and to give them a starting point for creating champions.

What Will Participants Learn?

- ✓ Identify what motivation is
- ✓ Describe common motivational theories and how to apply them
- ✓ Learn when to use different kinds of motivators
