Prospecting is one of the keys to your sales success. Keeping your pipeline full ensures that you will continue to attract new business, and so your success today is a result of the prospecting you did six months ago. In this course, you will become skilled at prospecting and learn the 80/20 rule. After this course, you will know who to target and how to target them, and commit to do some prospecting every day through warming up cold calls, following up on leads, or networking. You will also build your personal prospecting plan and learn how to ensure your future by planting seeds daily.
